### **Drawings**

1. The drawings were received on October 14, 2004. The Examiner accepts these drawings.

### **Information Disclosure Statement**

2. The information disclosure statement (IDS) submitted on October 14, 2004 is being considered by the Examiner.

### **Reasons for Allowance**

3. The following is an Examiner's statement of reasons for allowance.

The prior art of record fails to teach or suggest, medical viewing system and image processing method for visualization of folded anatomical portions of object surfaces comprises processing means for approximating said segmented object surface data for determining a reference surface, which represents an approximated surface of said object surface devoid of the folded portions while comprising at least one flat patch, analyzing means for determining points, for each patch of the reference surface, where the normal to the patch intersects the object surface and for identifying as a patch corresponding to a folded portion a patch of the reference surface that has a normal intersecting the object surface at more than one point; said medical viewing system further comprising image visualization means for visualizing the object images and/or the processed images in combination into other features and elements of **claims 1 and 11**.

4. **Claims 1-13 are allowed.**

Art Unit: 2624

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

#### **Citation of Relevant Prior Art**

6. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Johnson et al (U S 5,891,030) discloses system for two-dimensional and three-dimensional imaging of tubular structures in the human body.

Derowe al (U S 7,022,131) disclose method and devices for vascular surgery.
